### Luncheon for Miss Walsh.

Saturday, May 3, Miss Mary Zook entertained at a "Violet Luncheon" for her guest, Miss Genevieve Walsh, of Helena, Montana. The house was beautifully decorated, the reception hall and parlor with wild crab blossoms, the library with white and purple lilacs, and the dining room with a profusion of violets. Violet place cards marked the places of the diners, while at each place was a corsage bouquet of violets and lilacs-of-the-valley. After luncheon bridge was played at two tables and "500" at one table. Miss Dungan captured the bridge prize and Mrs. W. B. Hinde that for "500." Miss Walsh received the guest prize. Those present at the luncheon and afterwards at cards were: Misses Hortense Dungan, Mary Price, Flora Boham, Dale Zeller, Anna Curry, Genevieve Walsh, Mary Zook; Mesdames F. Philbrick, W. W. Dawson, C. E. Bunker, T. C. Dungan, W. B. Hinde and C. D. Zook.

Mrs. Wm. Morris, who has been quite ill the past two weeks, is now some better, and is able to be up and around some.

We are certainly glad to learn that Albert Williams has again entered his name on the teachers' roll of Holt county. The Triumph correspondent in the Jeffersonian last week has this item: "Albert Williams has been engaged to teach our school the coming winter. They intend to teach the ninth grade and quite a number who have not attended school since they finished the eighth grade intend to go next winter. Albert is a number one teacher and the school will be a perfect success."

### Neither Sugar or Salt.

Although the weather was very inclement—rain and mud, the members of Meyer Post, G. A. R., went out to Richville, Saturday afternoon last, and visited with their old, old comrade, August Weigel, of the 4th M. S. M., Cavalry. The Post secured lively teams, and they arrived at Mr. Weigel's in a down pour of rain, but on approaching the home, they found Old Glory on the flagstaff; though somewhat wilted from the rain, it was indicative to the "old boys" that they were expected, and when they alighted, they were ushered into the home, and made welcome, by their comrade, Mr. Weigel, and his daughter and son-in-law, Ed. Kraemer and wife.

With wraps off, they were escorted into the parlor, where Commander Morgan called the Post to order, and the regular order of business was transacted.

George Hibbard, of the 6th Iowa Infantry, was a guest of the Post, and he made a brief talk to his comrades; of the need of patriotism today; proud of his country and the history it had made since the days of the rebellion, and the great influence that was being brought forth tending to universal peace.

Mr. Montgomery also spoke, telling of his recent trip to Geneva, Nebraska, and pleasant meetings with his comrades—the little bronze button was ever an insignia for a cordial greeting and welcome wherever he traveled, and the world was not so wide that you did not now and then meet with some one wearing the button. The Post at Geneva was a large one, and financially prosperous, and was honored by having the Department Commander on its rolls as a member.

Concluding its regular order of business, the members were escorted into the family dining room, where they were seated at a nicely decorated table, and enjoyed a luncheon, composed of so many good things, that it is useless to try to enumerate. Finishing their rations, the comrades were called to their feet and the three-times-three salute was extended their comrade, and those who aided in contributing to the visitors' pleasure.

Mr. and Mrs. Kramer with whom Mr. Weigel makes his home, were assisted by Mrs. A. W. Hibbard, Mrs. Ulysses Weigel, Misses Virgil Cropp and Esther Hibbard. The following members of the Post answered roll call:

B. F. Morgan, 4th Ind. Inf.  
F. C. Morgan, 1st Pa. Cav.  
G. W. Cummins, 64th Ohio Inf.  
Fred Markt, 4th M. S. M. Cav.

The host was born in Baden, Germany, October 29, 1834, and is now in his 80th year and enjoying most excellent health. He came to Holt county in 1858, and pursued his trade, that of carpentering and millwrighting. His wife was Eliza, daughter of Jesse Carroll, an early settler of our county. She died in 1903, and since which time he has lived a retired life with his children. He served in the Civil War as a member of Company F, 4th M. S. M. Cavalry, serving his three year enlistment.

The Post will attend the State Encampment of the G. A. R., which meets in St. Joseph, Wednesday next, May 14th, in a body, and will leave Oregon on the 7:25 a. m. train; train No. 14 will stop at Forest City, to take on the delegation.

On account of the rain the sale of our household goods was postponed until Saturday, May 10. Among other things offered for sale is a fine six-hole Kitchen Range with Furniture, also a Kitchen Cabinet Table with new Safe. See ad elsewhere in this issue.

## "Pittsburgh Perfect" Fence

Because it's Welded, you can take it Down  
and Put it Up Without Injuring the Fence

That's a good point to consider.

Many a time you would shift a line of fencing from, say, the bull pasture to the hog lot—if it didn't destroy the efficiency of the fence.

In "Pittsburgh Perfect", the only fence with electrically welded joints, the stays are permanently joined to the line wires.

It is actually a one-piece fence.

Taking down "Pittsburgh Perfect" and re-stringing it doesn't hurt it a bit. This is one exclusive "Pittsburgh Perfect" feature of economy perhaps you haven't thought of. Our catalogue, sent free, tells of many more. Get a copy at once.

Made in Different Styles for FIELD, FARM, RANCH, LAWN, CHICKEN, POULTRY and RABBIT YARD and GARDEN

**Every Rod Guaranteed**

Ask your dealer for "Pittsburgh Perfect" and insist on his furnishing it. Do not allow him to persuade you that some other fence is just as good. If he doesn't sell it, write us direct.

**"Such shipments mean Studebaker has the confidence of the farmer"**

Every year over one hundred thousand horse-driven vehicles are sold by Studebaker. Over a million Studebaker vehicles are always in use. Stop and think what that means.

This enormous output means that Farmers—the men who know—depend upon Studebaker wagons to do their work.

And a Studebaker wagon never fails. It is always ready to do a big day's work—and to keep on doing it. There are thousands of Studebaker wagons that have been in service from 20 to 40 years.

A Studebaker wagon is a real business asset. Wheels, body, frame, axles and running gear have been tested and retested by experts. You can buy cheaper wagons but they're not Studebakers, nor will they last like Studebaker wagons.

Whether in city, town or country, for business or pleasure, there is a Studebaker vehicle to meet your requirements. Farm wagons, trucks, contractors' wagons, buggies, surreys, runabouts, pony carriages, business and delivery wagons—each the best of its kind. Studebaker harness also, of every description.
